

PRACTICAL GUIDE / INDIVIDUAL

Choose better. Enjoy your equipment.

Keep your equipment in one place, check compatibility and discover relevant offers.

A personal account gives access to the Garage. Compatibility is guidance: always check the exact reference.

Find what fits

What you can do

My equipment, organised · Available

Keep equipment, photos and purchase information in your personal Garage.

Find the right equipment · Available

Explore BBQs, accessories, furniture, spices and other universes with relevant brand filters.

Buy or sell equipment · Available

Browse professional and private offers, or prepare the sale of equipment you own.

Learn and get inspired · Available

Discover recipes and content connected to equipment you use.

INDIVIDUAL

Your first steps

My equipment, organised

1. Choose a catalogue reference.
2. Add your details and an optional photo.
3. Find equipment and its history in your Garage.

[Open my Garage >](#)

Find the right equipment

1. Choose a universe.
2. Filter brands and categories.
3. Check specifications and compatibility on the product page.

[Explore PitSelect >](#)

Buy or sell equipment

1. Compare offer details.
2. Contact the seller from an offer.
3. To sell, start from owned equipment in your Garage.

[Explore PitMall >](#)

Learn and get inspired

1. Explore recipes and filters.
2. Browse influencer content.
3. Check instructions and exact references before applying them.
